

This commitment is preliminary and is intended to help SEG facilitate planning for the 2021 EVOLVE program. By submitting this non-binding pledge/intent form, you give SEG permission to contact the Primary Contact named below to discuss next steps.

_____ (Company Name) intends to Sponsor/Support the following number of Student Teams participating in the EVOLVE 2021 program:

Number of Teams:	1	2	3	4
Please check ONE box at right				

The recommended sponsorship/support amount is US\$30,000 per team. However, companies who choose to provide a contribution of US\$100,000 will be recognized as a "Pacesetter" (highest recognition level) and will be considered to have sponsored/supported four (4) teams.

Sponsors/Supporters shall receive recognition commensurate with their contribution, including display of their name/logo on EVOLVE program/team presentations, the SEG EVOLVE website, and other collateral materials.

If the Company intends to treat the Sponsorship as a business expense, SEG will provide an invoice. Alternatively, donations given through the SEG Foundation may be treated as a charitable contribution, in accordance with U.S. laws.

Comments:

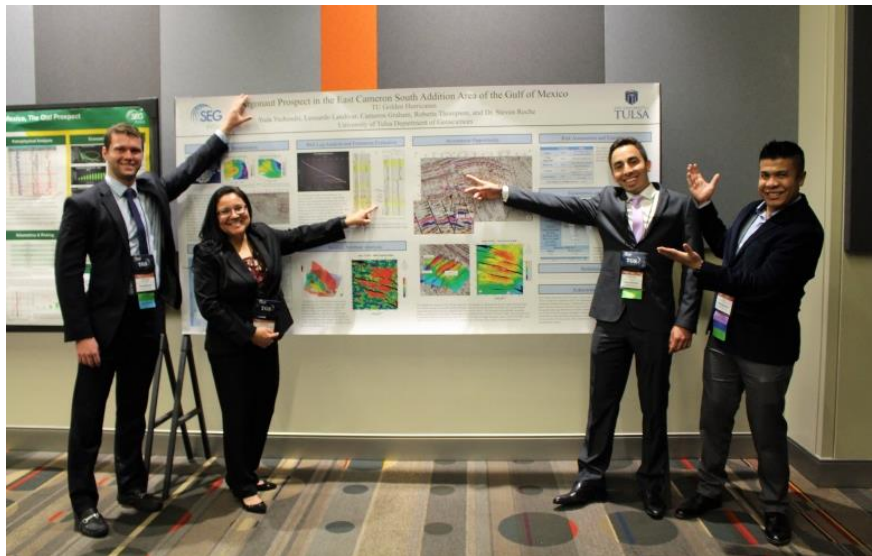

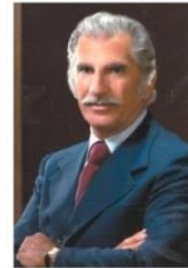

Please return the completed form to Mike Forrest (forrestm33@sbcglobal.net) by November 15, 2020.

Technical questions can be addressed to Allen Bertagne (see contact information below).

The Ultimate Objective: “Fearless Explorers” of the Future

“Fearless” does not mean being reckless, wasteful, dishonest, etc. On the contrary, it means being thorough, thoughtful, a good steward of investor funds, with a high level of professionalism and integrity.

- Any Basin
- Any Geology/Structural Style
- Any Amount and Type of Data
- Any Amount of Previously Discovered Hydrocarbons
- Any Language
- Any Cultural Setting
- Any Business Objective

SEG EVOLVE Program
